## Amazon Revival

In February, March, May, June, and November Revival fires burned bright as we ministered in the Amazon Basin of Colombia, Peru, and Brazil.

For the people of Las Amazonas, all life revolves around this greatest of natural rivers. It is their transportation system, playground, and supermarket. During the revival, Holy Spirit was poured out and the people drank of the river of life that Jesus spoke of in John 7:37. Some services lasted until daylight the next day. People of different tribes and of all ages were saved, healed, and filled with the Holy Spirit.

I will never forget the dying Lady that was brought three weeks by boat to the hospital in Leticia. The doctors could not save her. A nurse brought her to the revival and Jesus healed her! Such amazing miracles were common as Jesus was lifted high and God's glory was manifest. We look forward to what the Lord will do there in 2014.

## The Elliotts

On June 22nd, Seth married Michelle Whitten. They are finishing up the Bethel School of Ministry in Redding, Ca.

Not only did our family grow numerically in 2013, but also each member has grown and matured spiritually. Seth graduated from the first year program at Bethel and Hannah from the second. From this fall and until next summer, Hannah is interning in children's pastoral ministry for Bethel Church. She stays busy preparing lessons and activities as well as actively ministering in the children's services.

Charley Jr. and Kelly are busy raising our four grandsons. Charley Jr. is serving as an associate pastor for Gateway Church in South Lake, Texas. Will is working as a petroleum land man in Texas and New Mexico.

Julia graduated high school in June. She returned from Mozambique December 13<sup>th</sup>, and is full of vision for her life in missions.

Julie turned 50 on December 5<sup>th</sup>. I will catch up with her in March. We feel the wind of God at our backs and believe that this is a new season of life and ministry. We will be traveling to Medellin, Colombia this month. We are exploring the possibility of starting a **new missions & evangelism training ministry** there later in the year. Please keep us in your prayers. I believe that **2014 will be a great year of harvest and will be full of new endeavors for Jesus Christ.**

Thank you for your generous and faithful support,

Happy New Year!!
